

ADDENDUM NO. 9

DATE: October 30, 2013

TO: ALL PROSPECTIVE PROPOSERS

SUBJECT: ERP Implementation, Integration and Related Services
RFP No. 882

NEW PROPOSAL DUE DATE: November 26, 2013 (the time remains the same as stated in the RFP)

This addendum becomes a part of the subject RFP No. 882.

A. The revised proposal due date is November 26, 2013 (the time remains the same as stated in the RFP). Deadline for receipt of questions is extended to October 31, 2013 close of business.

B. The following is a question posed to County pertaining to this RFP:

Q1. We are confirming that “Core” in Form B-1 (Pricing) refers to all modules in Attachment B versus the “core functionality” listed on page 8, Section 2.3 of the RFP. For example, “Financials Core” in Form B-1 includes all items in Number I in Attachment B.

A1. To be clear, please refer to Form B-1, which states:

“Pricing must include all cost elements related to ERP implementation, integration and related services including but not limited to project initiation, project management, culture change management, business process review, fit gap analysis, configuration, customization, data conversion, data archival, interfaces, testing, security, reports, workflows, documentation, training, knowledge transfer, go-live, post-implementation support, Hyperion integration, and Oracle Analytics required to meet the specifications outlined in Section 2.0 of this Solicitation (and any associated changes via any addendum(s) issued for this Solicitation) for all application modules/components as listed in Attachment B. The proposed price shall include all costs including travel and related expenses.”

C. Attachment C - County's Current Computer Systems Interfaces: Please add the below items to Attachment C:

Public Housing and Community Development Department Interfaces

The current Public Housing and Community Development (PHCD) department's financial applications consist of Emphasys Elite from Emphasys Computer Solutions, Inc. The modules include the Section 8 module and the Low Income Public Housing module version 1.9.3. Technical information for the Emphasys applications at PHCD is as follows:

- Operating System: Windows Server 2008 R2 Standard 64-bit Service Pack 1
- Database: SQL Server 2008 R2 (SP2) 10.50.4000 Enterprise Edition 64-bit
- Software Platform: Delphi.NET

The following interfaces are to be included:

- Payroll Labor Distribution interface from PeopleSoft to the PHCD financial applications
- Budget information interface to / from PHCD financial applications to / from Hyperion

D. Replace 2nd paragraph of revised Section 2.4.5 (as stated in Addendum No. 6 dated October 18, 2013) in its entirety with the following:

"In addition, if so requested by the County, the Selected Proposer shall develop a plan and analysis for the interface of Procurement Contracts from PeopleSoft to the Emphasys Elite software of Public Housing and Community Development department."

Additionally, the following replaces in its entirety the Public Housing and Community Development (PHCD) section of page 6 of Form B-1 (which was revised, as part of Addendum No. 6 [item D] to this RFP):

"As requested in Section 2.4.5 of this solicitation, as amended above, provide an all inclusive cost for the planning and analysis of the Procurement Contracts interface from PeopleSoft to the Emphasys Elite software of Public Housing and Community Development department. This amount is NOT to be included in the Proposed Price in Section A above."
